

**MATERIAL SAFETY SHEET**

Exxpresso Clean

Hazardous Ingredients

- Sodium Dodecylbenzene Sulfonate 25155-30-0 5 unknown
- Sodium Perborate 7632-04-4 20 N/A

Physical Data

- Boiling Point Granular Solid
- Vapor Pressure N/A
- Vapor Density N/A
- Volatiles N/A
- Evaporation Rate N/A
- Phv 1% Typical 11
- Solubility in Water 99%
- Appearance White Granular Powder
- Odor Mild

Fire And Explosion Data

- Flash Point N/A
- Extinguishing Media Water, CO2, Dry Chemical
- Explosion Hazard None

Reactivity

- Stability Stable
- Conditions to Avoid Open Flames, Welding Arcs, High Temperature Sources which can induce thermal decomposition.
- Incompatability Strong Acids
- Hazardous Decomposition None
- Hazardous Polymerization Will Not Occur

Health Hazards

- Eye Contact Mild to Severe Irritation
- Skin Contact May cause dryness with prolonged contact.
- Inhalation Spray or mist is irritating to the nose and throat, may cause sneezing.
- Ingestion Can cause nausea or vomiting if ingested.
- Carcinogenicity Not carcinogenic

#### First Aid

- Skin or Eye Contact                      Flush with water. Eyes should be rinsed for 15 minutes, if irritation persists, consult a physician.
- Inhalation                                    Remove from source of dust and rest until symptoms (sneezing) cease. If breathing is difficult consult a physician.
- Ingestion                                     If material is swallowed, give large quantities of water. Seek medical attention.
- Spills or Leaks                              Sweep up powder and dispose in approved manner, flush with water, wear gloves and boots during cleanup.
- Waste Disposal                              Small quantity to sewer. Large quantity dispose of according to local regulations.

#### Special Protection

- Respiratory                                    None
- Eye    None
- Clothing                                        None
- Other Protection                              Material has drying effect on skin.

#### Precautions

- Store in cool, dry area
- Keep container closed
